'Sustainable Goals...Sustainable Future'

## ABOUT THE INSTITUTION

**Pillai College of Education and Research, managed by Mahatma Education Society was established in the year 1990 with the sole objective of producing teachers with noble and elevating quality, who in turn, will achieve extra-ordinary merits and attainments.**

**PCER, Chembur prestigious institution is an agent for dissemination of knowledge and culture and is an epitome of hopes and aspiration for numerous budding teachers. Today PCER boasts of being one of the leading institutions imparting high quality education, integrated with values and technology. The results are laudable and it can be proudly said that the credit of taking the institution to its pinnacle of success goes to the management, Principal and the faculty members, who work in tandem.**

# LEADERSHIP

**Dr. K M Vasudevan Pillai, Chairman & CEO, MES**

**“We are committed to provide a holistic education based on new generation academics that creates powerful global career options to our students and at the same time make them key contributors to the society at large. We strive to achieve nation building by emphasizing on character building of individual. This is done through approach of mentoring.”**

**Dr. Daphne Pillai, Secretary, MES**

**“In this fiercely competitive world, success has several dimensions far widespread than the vortex of academia, spreading its tentacles into diverse fields which one has to adapt to. Our objective at Pillai is to provide you the right environment which will enable you to fulfill all aspirations and ambitions. Very often one is not even aware of one's own capabilities and we at Pillai's believe that even if we succeed in making the student scratch the tip of iceberg, we have set the ball rolling for individuals to achieve ultimate success in life.”**

**Dr. Reni Francis, Principal**

**Education, today is to be viewed as the lighthouse of society. It is a reflection of our society. We must agree that vital changes can come in the society only through education. We believe in the words of Robert Frost “These woods are lovely, dark and deep, But I have promises to keep, And miles to go before I sleep, And miles to go before I sleep” and thus our journey to excellence continues forever...**
